# OVERVIEW

India is the world's second largest manufacturer of cycles after China & the world's third largest consumer market. According to estimates, India manufactures 20 million cycles every year and it is an industry worth Rs 7,000 crore\*.

Additionally, rising number of cycling events and emergence of cycling clubs is projected to augment demand for geared and sports bicycles across the country in the coming years. The Government of India also equally focuses on the sector and has launched a number of initiatives in the recent past to promote the health benefits & allied advantages of Cycling & Sports Fitness, ranging from:

- Fit India Movement;
- Road Safety Awareness Cycle Rallies;
- Smart Cities Mission - Cycle4Change Challenges;
- Free Bicycle Distribution Programs for School Children;

## ATMANIRBHAR BHARAT AN OPPORTUNITY

The recent development of Self-Reliant India / Atmanirbhar Bharat, whilst easing upon policies for Corporates / MSME / Independent Entrepreneurs, the future is not far when more number of Indian Companies will get into the business line of manufacturing cycles & related accessories.

# PRESENTING THE INDIA BICYCLE SHOW (TIBS) 2021

Confederation of Indian Industry (CII) is pleased to announce "The India Bicycle Show (TIBS) 2021 - *A Ride to healthy & fit India*", a virtual exhibition with exclusive focus on Bicycles, Tricycles, E-Cycles, Safety Gears, Accessories & Sports Fitness, to promote the sector & related business, from 24th February - 10th March 2021, over a digital business platform.

TIBS 2021 will be held concurrently with 24th International Engineering & Technology Fair (IETF) 2021 [CII's flagship event held biennial since 1975]. Next edition is of special significance as this year marks 125 years of CII's partnership with the Nation, and theme "Business & Beyond".

With India being the world's second largest manufacturer of cycles after China & world's third largest consumer market, we firmly believe TIBS 2021 will act as a catalyst to showcase the offerings & product lines, and also to launch the upcoming projects.

The expo has been outlined from both B2B & B2C framework, in view of attracting distributors, importers, manufacturers, entrepreneurs, consumers, key decision & policy makers, while increasing awareness about latest products & services.

## Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering industry, Government and civil society, through advisory and consultative processes.

For 125 years, CII has been working on shaping India's development journey and, this year, more than ever before, it will continue to proactively transform Indian industry's engagement in national development.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with about 9100 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from 288 national and regional sectoral industry bodies.

CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

With the Theme for 2020-21 as *Building India for a New World: Lives, Livelihood, Growth*, CII will work with Government and industry to bring back growth to the economy and mitigate the enormous human cost of the pandemic by protecting jobs and livelihoods.

With 68 offices, including 10 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with 394 counterpart organizations in 133 countries, CII serves as a reference point for Indian industry and the international business community.
