As an exhibitor you too can take advantage of all the content on offer and ensure your business is fully aware and ready for all the trends and latest influences within the industry.

Showcase

Launch your products, services and expertise to the marketplace. It provides the perfect platform to showcase your latest innovations in the industry, in addition to your stand in the exhibition you also can present your latest innovations within the three-day program dedication to Technology and Innovations.

Network

The show delivers a format where an exchange of information and business discussion are the key objectives. Surface Coatings Expo to source information, find new ideas, identify new suppliers and find industry innovations.

Focus

The exhibition is a key aspect of the event so whilst there will be significant content, targeting to the focused groups of Exhibitors and visitors from similar Industry.

Exhibitor Profile

Electroplating

- Plant & Equipment
- Chemical & Electronic Metal Separation
- Chemicals
- Automotive E-Coatings
- Automation & Handling Systems
- Environmental Protection & Special Purpose Plant

Equipment

- Power Tools
- Abrasive Wheels
- Blasting Machines
- Acid Cleaning Systems

Cleaning & Pre-Treatment

- Blast Cleaning
- Plasma
- Sponge Cleaning
- Hydro Blasting
- Types of Abrasives

Painting & Coating

- Liquid & powder Coatings
- Paints, Enamels, Plastic Coatings
- Industrial Paints Spraying Instruments & Equipments
- Applications of Paints Coatings
- Waterproofing technology
- Floor Coatings
- Fire resistant, Fire retardant & Intumescent Coatings

Industrial Plasma Coating

- PVD & CVD Systems
- Ion Plating
- Sputter Deposition
- Plasma Nitriding
- Thermal Spray
- Activation of Plastic Surfaces

Visitor Profile

- Auto Parts
- Aerospace
- Agriculture Implements
- Boiler & Turbine Manufacturers
- Building & Construction
- Consultants & Engineers
- Chemical & Pharma Industry
- Defense & Space
- Electronic Parts
- Energy
- Food Processing
- IT, Digital Products
- Kitchenware
- Luxury /Toys / Sport Kits
- Mold & Die
- Packaging
- Plastic & Rubber
- Power Plants
- Railways & Transport
- Telecom Products
- Metallurgical
- Machine Building

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with around 9000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from 286 national and regional sectoral industry bodies.

For more than 125 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

As India completes 75 years of Independence in 2022, it must position itself for global leadership with a long-term vision for India@100 in 2047. The role played by Indian industry will be central to the country's progress and success as a nation. CII, with the Theme for 2022-23 as Beyond India@75: Competitiveness, Growth, Sustainability, Internationalisation has prioritized 7 action points under these 4 sub-themes that will catalyze the journey of the country towards the vision of India@100.

With 62 offices, including 10 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with 350 counterpart organizations in 133 countries, CII serves as a reference point for Indian industry and the international business community.
