25thIETF 2023 – CII's Flagship Event in Its Silver Jubilee Edition

Presence of 45 countries, largest showcase by Start Ups

The largest ever participation of over 100 Indian Start Ups, showcasing Future Technologies and Innovations at the 25th Edition of IETF 2023–International Engineering & Technology Fair–is one of the highlights for the Silver Jubilee Edition of IETF 2023.

Spread across an exhibition area of over 30000 sqmtrs at the **New Exhibition Venue, IETF 2023 is scheduled from 16 to 18 February, 2023 at Pragati Maidan, New Delhi.** The current edition of IETF, the Flagship Event of CII, held every alternate year since 1975, celebrates its **Silver Jubilee Edition** this year with active **participation of exhibitors and delegates from 45 countries.**

Finland is the Focus Country and is showcasing products and technologies related to Advanced Building Solutions, in an exclusive Pavilion. **Germany is putting up a Country Pavilion** highlighting technologies and solutions for Water & Waste Management.

IETF is a Global Platform and in the past, developed countries used this event to establish business linkages in India, by participating as **Partner Countries, showcasing their industrial strengths and innovation capabilities.** These are - Italy (two times), Canada, USA, UK, Germany, Japan (five times), South Korea (two times), Spain, China, and South Africa (two times).

IETF is a multi-sector event, and showcases future technologies and products, under a common platform. IETF 2023 will showcase the industrial strengths and innovation capabilities of India, through its **focused and concurrent shows, representing 12 industry sectors.** The select sectors are - advanced building technologies, artificial intelligence (AI), capital machinery, digital gaming, fluid power, factory & plant maintenance, healthcare, industrial automation & robotics, modern logistics solutions, metal and metallurgy, surface coating, and water & solid waste management.

Major Brands at IETF 2023 - The current edition has presence and participation of over **300 exhibitors and delegates from 45 countries**, including Global Brands, representing multiple sectors.

Some of the key brands at IETF this time are, Sony Playstation, LG Electronics, One Plus, Western Digital, Acro, Riot Games, Nodwin Games, Jet Synthesys Group, Kone Elevators, Nokia, JCB, Terex, Tata Steel, JSW, JSPL, Thermax, Lloyds Steel, L&T, Blue Star, Tata Bluescope, Gates India, Tucson, Wipro FluidPower, Universal Robot, Elite Robot, Brady India, Hutchison, Logistics Skill Council, Rockwell Automation, TVS Supply Chain, C Dot, Ministry of Ayush, Wipro Water, Medika Bazar, Siemens, HNB, Ion Exchange, German Pavilion, etc.

The Indian Start Up Community with a very strong presence of over 100 companies representing a variety of sectors, offering solutions, new technologies, and innovative products for future, specially in Healthcare, Artificial Intelligence, and Water & Waste Management, is **a major attraction of IETF 2023.**

The IETF 2023 Inaugural Ceremony–The Honourable President of India, Smt. Droupadi Murmu, has kindly agreed to inaugurate and deliver the Presidential Address at 1100 hrs on 16th February, 2023 at Amphi Theatre No.1, at Pragati Maidan, New Delhi. Dr. Mahendra Nath Pandey, Minister of Heavy Industries and Public Enterprises, Government of India, is the Guest of Honour at the Inaugural Ceremony of the Silver Jubilee Edition of IETF 2023.

Concurrent Shows with IETF 2023:

1. **AI India**– Exhibition & Conference on Artificial Intelligence
2. **Health Tech India 2023** – Exhibition & Conference on Healthcare Technologies
3. **India Gaming Show (IGS) 2023** – Exhibition & Conference on Digital Gaming

Focused Shows at IETF 2023:

1. Advanced Building Technologies Show (ABTS) 2023
2. Fluid Power Expo 2023
3. Factory & Plant Expo 2023
4. India Industrial Automation Robotics & Electronics Expo (IIAREE) 2023
5. Logistics 2023
6. MECTECH 2023
7. Metal & Metallurgy Expo 2023
8. Innovative Coating & Paints Expo 2023
9. Water & Waste Expo 2023

IETF 2023 highlights:

Supported by:

Ministries of Government of India –Ayush, Electronics & Information Technology, Commerce & Industry, Housing & Urban Affairs, Jal Shakti, Micro, Small & Medium Enterprises, and Steel.

Department of Pharmaceuticals

Department of Science & Technology

NITI Aayog

Office of the Principal Scientific Adviser

National Small Industries Corporation (NSIC)

Country Pavilions from Finland and Germany

Special technologies driven by AI for Manufacturing

Special Focus on AI in Healthcare and Environment

Display of innovative & technology-oriented automation including industrial robots

Start Up Zones offering smart and intelligent solutions

Start Up Panel Discussion by JETRO

Technologies for Material Handling

Over 20 Sector specific conferences on relevant subjects of IETF 2023, ranging from, Artificial Intelligence, Gaming Technologies, Water Management, Healthcare, Logistics, Metal & Metallurgy, Automation & Robotics in Manufacturing, Fluid Power Technologies, Factory & Plant Maintenance, and B2B & B2G Meetings, are planned during IETF 2023, will bring together experts and decision makers from Industry, Government and Media to deliberate on future businesses and collaborations.

IETF 2023 is expected to be attended by representatives of government, industry, and media from India and Overseas over the three days.

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with over 9000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from 294 national and regional sectoral industry bodies.

For more than 125 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

As India marches towards its 75th year of Independence in 2022, CII, with the Theme for 2021-22 as Building India for a New World: Competitiveness, Growth, Sustainability, Technology, rededicates itself to meeting the aspirations of citizens for a morally, economically and technologically advanced country in partnership with the Government, Industry and all stakeholders.

With 62 offices, including 10 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with 394 counterpart organizations in 133 countries, CII serves as a reference point for Indian industry and the international business community.
