

20 – 22 February, 2025
Pragati Maidan, New Delhi

EXPLORING INNOVATIONS TO CREATE SMARTER LIVING SOLUTIONS FOR THE FUTURE

ABOUT THE EVENT

The real estate sector stands out as one of the most globally recognized industries, encompassing four key sub-sectors: housing, retail, hospitality, and commercial. Its expansion is closely intertwined with corporate growth, driving demand for office spaces and both urban and semi-urban accommodations.

Remarkably, the construction industry ranks third among the 14 major sectors, exerting direct, indirect, and induced effects across the entire economy.

To address the increasing demand for managing diverse projects across cities, developers are adopting centralized processes for material sourcing and manpower organization. Moreover, they are prioritizing the recruitment of skilled professionals in areas, such as project management, architecture, engineering and better raw material.

With the growing Indian Economy, the need in real estate is to have buildings with world class technology with quality, comfort and safety.

CII is organizing the 5th edition of Real Estate & Building Technology Expo 2025 at Pragati Maidan, New Delhi with a dual objective to upsurge the real estate sector as well as creating the world class technology building in India.

WITH AN OBJECTIVE TO:

- Showcase the latest products, technologies, solutions, machinery & equipment, application and developments in the construction of world class building, construction technology & management system.
- Disseminate knowledge about new technologies and applications of construction amongst the using sector.
- Create awareness amongst potential consumers about the applications & benefits of the development and technology available.
- Enhancing operational edge by customized solutions to enable business function with lesser gestation time towards creating a better environment.

EXHIBITOR PROFILE

- Architectural designs
- Building Material, Cement & Equipments
- Ceramics & Marbles
- Facility Management Services
- Heating, Ventilation, and Air Conditioning (HVAC)
- Paints and Coatings
- Plumbing Solutions
- Premix & Prefab Material Suppliers
- Sanitary Solutions
- Wall, Ceiling & Roofing Material
- Flooring Technology
- Building Glass Solutions
- Cables and Electricals
- Elevators
- Fire Safety and Security Systems
- Lighting, Pipes, Meters & Fittings
- Parking Management Solutions
- Power Solutions
- Real Estate Developers
- Steel Building Solutions
- Water & Waste Management Systems

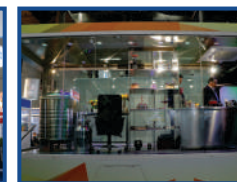

VISITOR PROFILE

- Architects
- Consultants
- Surveyors
- Contractors
- Government Authorities & Agencies
- Hardware Dealers
- Homeowners
- Real Estate Agents
- Technology Enthusiast & Early Adopters
- Civil Engineers
- Interior Designers & Decorators
- Commercial & Residential Buildings
- Distributors & Wholesalers
- Housing Development Corporations
- Smart Cities
- Property Investors
- Facility Managers
- Environmental and Sustainability Champions

EVENT FEATURES

- 3-Day Global Exhibition
- B2B Meetings with Business Visitors
- Live Technology Demonstration
- Interactive Seminars on Various Topic

GLIMPSES

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with around 9,000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from 286 national and regional sectoral industry bodies.

For more than 125 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

As India strategizes for the next 25 years to India@100, Indian industry must scale the competitiveness ladder to drive growth. It must also internalize the tenets of sustainability and climate action and accelerate its globalisation journey for leadership in a changing world. The role played by Indian industry will be central to the country's progress and success as a nation. CII, with the Theme for 2023-24 as 'Towards a Competitive and Sustainable India@100: Growth, Livelihood, Globalisation, Building Trust' has prioritized 6 action themes that will catalyze the journey of the country towards the vision of India@100.

With 65 offices, including 10 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with 350 counterpart organizations in 133 countries, CII serves as a reference point for Indian industry and the international business community.
